Prevent access each other page (Part 2)

Change this code at middleware "RedirectIfAuthenticated.php"

```php
<?php

namespace App\Http\Middleware;

use App\Providers\RouteServiceProvider;
use Closure;
use Illuminate\Http\Request;
use Illuminate\Support\Facades\Auth;
use Symfony\Component\HttpFoundation\Response;

class RedirectIfAuthenticated
{
    public function handle(Request $request, Closure $next, $gua
    {
        if (Auth::guard($guard)->check()) {
            if (Auth::user()->role == 1) {
                return redirect()->route('dashboard');
            } elseif (Auth::user()->role == 0) {
                return redirect()->route('home');
            }
        }

        return $next($request);
    }
}
```
